Introduction

The Communications Act allows for the Codes of the legacy regulators to remain in force until such time as Ofcom has developed its own Codes. Ofcom has consulted on its new draft Code.

The new Code will be published this year.

The Codes and rules currently in force for broadcast content are:

- Advertising and Sponsorship Code (Radio Authority)
- News & Current Affairs Code and Programme Code (Radio Authority)
- Code on Standards (Broadcasting Standards Commission)
- Code on Fairness and Privacy (Broadcasting Standards Commission)
- Programme Code (Independent Television Commission)
- Programme Sponsorship Code (Independent Television Commission)
- Rules on the Amount and Scheduling of Advertising

From time to time adjudications relating to advertising content may appear in the bulletin, in relation either to the application of formal sanctions by Ofcom or to legacy cases.

Copies of the full adjudications for Upheld and Not Upheld Fairness and Privacy cases can be found on the Ofcom website: www.ofcom.org.uk
