QR1A. Does your household have Sky+ or Sky Q? (Sky+ has been available with the Sky digital system since 2001 and allows users to record and store TV programmes, and also pause and rewind live TV programmes. Sky Q has been available since 2016 and allows users to watch recorded programmes on a Sky box in other rooms in the house and, for the first time, on the move using a smartphone or tablet.) (SINGLE CODE)

Base : Those with Sky satellite TV (excluding those completing a paper questionnaire)
